FINANCE DEPARTMENT

OFFICE OF THE DEPUTY COMMISSIONER, TREASURY DEPARTMENT, BANGALORE.

Notification dated 15th May 1956.

Subject.—Arrangements for rendering separate accounts in respect of the Official and the Public Branch transactions of the Mysore Government Insurance Department.

No.SHT/Bills.-A-11-56-7. It is notified for the information and guidance of all Drawing Officers that in view of the possibility of the Public Branch of the Mysore Government Insurance Department being integrated into the Life Insurance Corporation which may come into being as a result of the Nationalisation of the Life Insurance business in India, it has become necessary to furnish separate accounts in respect of the deductions towards Insurance for Public and Official Branches, to enable the Department to keep the credit and debit statements of the branches distinctly and separately so that the transfer of the Public Branch to the Corporation is rendered easy. With a view to comply with the instructions of the Insurance Department in this behalf, it is essential that all drawing officers arrange to send separate schedules for Official Branch and Public Branch deductions enclosed to the pay bills. Further, on page one of Form 28 Mysore Financial Code Volume I (Establishment Pay Bill Form) in the deductions columns under Mysore Government Life Insurance Fund, deductions towards Official Branch policies should be shown separately from the deductions towards the Public Branch policies. If the above procedure is not adopted it may lead to misclassification and consequent inconvenience to the officials when the policies mature for payment. To avoid this inconvenience to the insured and unnecessary correspondence at a later date, all the drawing officers are requested to comply with the above procedure. If bills for the month of May payable during the month of June 1956 onwards are not presented at the treasury counter with these instructions duly complied with they are liable to be returned unpassed.

The above procedure should also be followed in case of the salary bills of the Gazetted Officers also.
